

Adventures Grant

2024 Information Booklet

Girlguiding Lancashire
North West County

Introduction

Launched in 2024, the new LNW County Adventures Grant is designed to provide financial assistance to Guides, Rangers or Leaders who are attending Girlguiding international trips, or where they are working towards an award.

What is the grant for?

The grant covers the following: -

1. International and UK trips organised outside of the applicant's division
- 2 Duke of Edinburgh expeditions or residentials
- 3 Queens Guide expeditions or residentials
- 4 Going Away with Scheme

The grant replaces all previous grant schemes available from LNW in relation to those selected to be part of international trips.

Unfortunately, the grant does not cover camps, pack holidays or unit holidays organized at division level or below, even when they are travelling abroad.

Applications

Applications should be made using the Adventures Grant application form which is available on the LNW website or by request from gglancsnw@gmail.com.

Applications should be fully completed, answering all questions, providing as much detail as possible for us to consider whether a grant should be awarded. Incomplete entries may be returned to the applicant.

Applicants under 1 above should be able to demonstrate their commitment to fundraising for their trip and where possible show that they are not solely reliant on grant funding. Grants in excess of 10% of the total cost will only be considered in exceptional circumstances.

Amount of Grant

LNW have set aside a fixed amount or 'pot' for each round of funding and grants will be awarded by giving successful applicants a share of this pot. This pot will be reviewed annually by the LNW County trustees.

Instead of automatically receiving a fixed amount, we invite applicants to carefully consider what they need and their reasons for asking for this amount, taking into account other fundraising already undertaken, grants received, and activities planned.
